About **CHEMBUR EDUCATION SOCIETY**

CES was incorporated in 1946, with the basic objective of providing education to students in and around Chembur. Even today CES is the preferred school for **Marathi** medium students.

Our motto is to provide our students with sound academic knowledge, cultural values and social responsibility along with an abiding focus on sports and sporting activities.

The existing school building was built in the year 1954 by students, teachers, staff and local residents, by offering “**Shramdaan**” (voluntary labour and assistance).

In the last 66 years our school grew from strength to strength. Today apart from pre-primary, primary and secondary school (SSC State Board), night high school courses such as B.Ed., D.Ed. are actively taught and guidance for PhD is provided.

In addition to its pursuit of academic excellence, CES lays emphasis on and has actively promoted various kinds of sports and sporting activities.

CES School & College Alumnus

Numerous ex-students of our school, in India and abroad, hold high and responsible positions in Gov. services and various organizations with their hard work, focus and determination.

Many CES students have attained success in international and national sports events.

Our Vision

To contribute towards the well-being and advancement of our society and nation, by creating a conducive environment to encourage and develop students with positive, healthy mind and body.

Our Mission

To create excellent **Marathi Medium** schools in Mumbai and elsewhere, by integrating high quality academic education, with emphasis on our local languages and equal emphasis on sports.

Our Belief

Our present students largely belong to the under-privileged backgrounds who can, when given appropriate support, make a lasting and positive impact in the field of education and sports.

In order to adapt to our changing society and new technologies, the present CES management has embarked upon its grand plan of overhauling the existing infrastructure and creating the strong foundation for the future. This would enable students to benefit academically from modern learning methods, tools and techniques and in the sporting arena, from modern sports infrastructure.

CES aims to deliver education in line inter alia with the New Education Policy 2020, of the Government of India.

CES existing committee

The Education Institute

The existing CES high school building is about 66 years old. In order to create greater capacity and install modern infrastructure. We have chalked out an ambitious plan for :

(a) based on the structural audit report demolition of the existing old structures (b) construction of a new building spread over approx. 40,000 Sq Ft area for educational institution (c) construction of a world class sporting area for the sports academy (d) construction of a hostel building, which would accommodate approx. 100 occupants.

The Sports Academy

It is proposed that a sports academy spread over approx. 30,000 Sq Ft shall be constructed. There will be a 400 meter running track plus facilities to play many games and sports, including traditional Indian games.

CES school alumni including many Chhatrapati Award winners, are proposed to be involved as mentors and ambassadors.

Many alumni are already actively associated with us in the ideation, design and crafting of the Sports Academy, which shall have state-of-the-art facilities. All components of operating the sports facility will be managed and operated on a professional basis to international standards.

Hostel Facility

It is proposed that hostel facilities spread over approx. 30,000 Sq Ft shall be constructed.

The said hostel facilities shall accommodate girl students only from all over India.

Designs and Plans

The design and blue-print of the new school building, sports arena and hostel building have been finalized and submitted for approval .

The Cost Involved

The investment required for the above project is estimated to be Rs.40-45 Crores.

Time Period

We aim to start the academic year 2024-25 with the modern facilities.

Proposed new building of the Chembur Education Society with modern facilities for academic education, sports, as well as hostel.

It is expected to be fully functional by June 2024

We Need Your Support

In Sports such as 4x100 relay race, 4 athletes participate together as a single unit to compete and aim to win the race.

We are running a race for under-privileged, talented students of our community. Your participation is crucial to ensure that our efforts meet success.

We have been registered in the year 1946 as a charitable, non-profit organization.

As you may see from the above, our mission is to create a first-of-its-kind, world-class infrastructure for a regional school, which would enable our students to perform honorably and to proudly represent the timeless value of our culture and tradition, at all global platforms and thereby make us all proud.

We invite you to participate in this noble mission.

We offer you this golden opportunity to participate in this unique project and help us achieve our vision and mission.

We shall be glad to depute our senior trustees to hold discussions with you in order to ascertain the manner in which you could so participate such that we can together make these noble dreams come true.

Jai Hind !

नमस्कार,

चेंबूर आणि आसपासच्या परिसरातील विद्यार्थ्यांना शिक्षणाची मूलभूत सुविधा पुरविण्याच्या उद्देशाने १९४६ साली चेंबूर एज्युकेशन सोसायटीची स्थापना झाली.

आर्थिक दुर्बल घटकातून येणाऱ्या विद्यार्थ्यांमध्ये शालेय शिक्षणासोबत सामाजिक बांधिलकी आणि सांस्कृतिक मूल्ये रुजविण्यासाठी संस्था कटिबद्ध आहे.

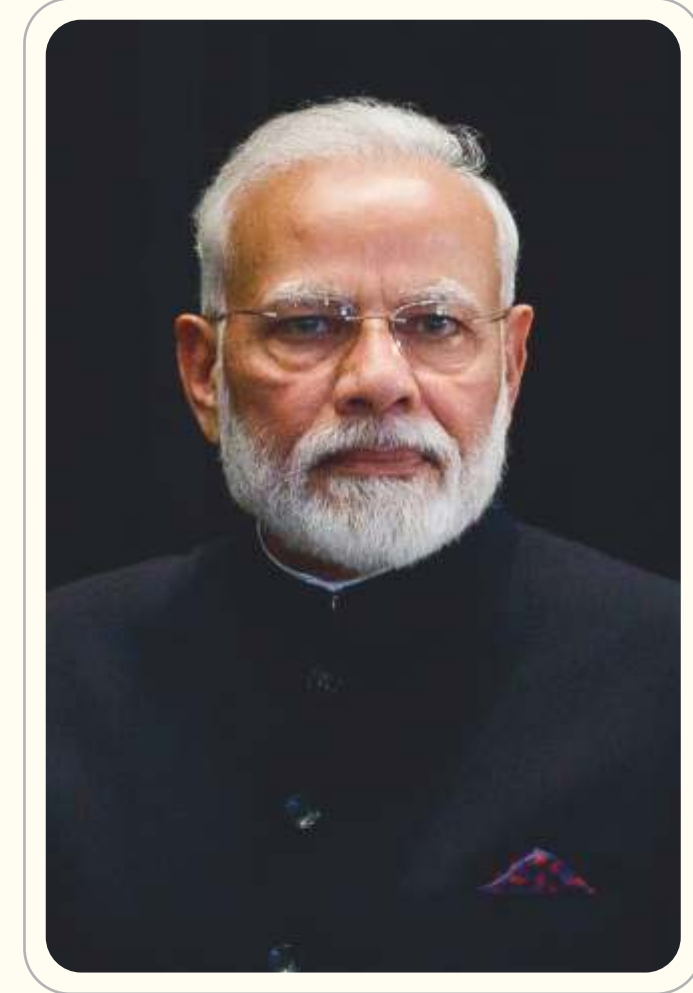

श्रमदानाने तयार झालेली शाळेची इमारत, खेळाचा संपन्न वारसा लाभलेले भव्य मैदान हे संस्थेचे वैभव आहे. विविध क्षेत्रात आपल्या कर्तृत्वाचा ठसा उमटवणारे विद्यार्थी आणि विद्याविभूषित, कार्यकुशल शिक्षक हा आमचा अभिमान आहे. क्रीडा क्षेत्रातील मानाचा शिवछत्रपती पुरस्कार मिळवणाऱ्या विद्यार्थ्यांची व महापौर पुरस्कारांनी सन्मानित शिक्षकांची गौरवशाली परंपरा आम्हाला लाभली आहे.

" उद्धरेदात्मनात्मानम् " हे ब्रीदवाक्य धारण केलेली आमची संस्था जुनी कात टाकून नवीन रूपात झळकू इच्छिते.

" मातृभाषेतून शिक्षण " देण्याचा वसा घेतलेली आमची संस्था क्रीडाक्षेत्रातही अधिक उज्ज्वल कामगिरी करू इच्छिते.

नवीन शैक्षणिक धोरण २०२० नुसार शैक्षणिक सुविधा देण्यासाठी सज्ज झालेली संस्था ज्ञान, विज्ञान, क्रीडा, आधुनिक तंत्रज्ञानासह अनेक क्षेत्रात अग्रेसर राहणार आहे.

यासाठी ६६ वर्ष जुनी इमारत व मैदान यांचे पुनर्निर्माण करणे आवश्यक आहे. हे कार्य पूर्णत्वास नेण्यासाठी संस्था सज्ज झाली आहे. जगन्नाथाचा हा रथ ओढून नेण्यासाठी हजारो हातांची आवश्यकता आहे. या निवेदनाद्वारे आपणांस सहकार्याची संधी देत आहोत. आपल्या प्रतिसादाची खात्री आहे. जय हिंद !

"I don't look at sports as something which merely tones up the body. I look at it as a tool of education that stimulates the mind and brings in a culture of discipline."
